SENATOR SIMPSON: Mr. President, I would ask unanimous consent that we bracket it on E & R for Engrossing so that the bill would not be engrossed. There are two minor amendments which are being looked over now that will be necessary to go on the bill and I'd hate to have them do the work and then have to do it over again.

PRESIDENT: Any objections? So ordered. Next bill, LB813.

CLERK: Mr. President, LB813, the E & R amendments have been adopted and they're now pending amendments by Senator Goodrich.

PRESIDENT: Senator Goodrich.

SENATOR GOODRICH: Mr. President and members of the Body. On LB813, this is the one where we adopted....this is the bill that combines Eastern Nebraska Technical Community College and the Omaha Technical Community College. And, the other day we adopted conflicting amendments on the bill. And it's for that reason, thank goodness, we had three or four days off, we had time to work it out. Now I have worked out the amendment that lays on the Clerk's desk and what I have cleared this amendments with Senator Johnson, Senator Richendifer, Senator Dickinson, and Senator Lewis, Mahoney, and everybody that was concerned in the debate at that time. They've all, to the best of my knowledge, they have all.....

(Begin Belt #2)

agreed with this amendment which in essence does one thing and that is it combines the two boards, leaves the metropolitan name in, picks up the problem of the personnel when they assume the liabilities and assets, they also pick up the personnel. And I would move the adoption of this amendment which consolidates all of the amendments that are on the bill now into one concise amendment that we all agreed to. I move the adoption of the amendment.

PRESIDENT: Any discussion? Senator Dickinson.

SENATOR DICKINSON: What rules are we operating under this afternoon?

PRESIDENT: We're normalized this afternoon.

SENATOR DICKINSON: Pardon?

PRESIDENT: The normal rules.

SENATOR DICKINSON: We're not operating on non-controversial bills?

PRESIDENT: No, not at the moment.

SENATOR DICKINSON: All right, thank you. I thought there's very poor attendance and Senator Richendifer's amendment would be the one that was being stricken here and I thought perhaps he should be here but if he isn't, I guess that's his tough luck.

PRESIDENT: Senator Goodrich.
